

## Algae moss remover

AME112

The self-acting remover of algae, moss and green film.

### DESCRIPTION

STEN SHOONMAKEN Algae moss remover AME112 is a **highly effective** and **lasting special cleaner**. Best proven for cleaning **terraces, stairs, paths, walls, gravestones and roofs**.

### AREAS OF APPLICATION

For use on smooth or porous surfaces such as **natural stone, clinker, clay tiles, concrete block** and for homogeneous, closed surfaces such as porcelain, **glass, ceramics, glazed clay tiles**, and for many other surfaces. In addition, ideally suited for efficient cleaning tasks in the food industry.

### USAGE

Dose according to the degree of soiling. Use the product **pure** or **dilute it 1:1 with water** and mix well. When used pure, you can clean approx. 10-20 m<sup>2</sup> of area. Best applied with a sprayer. Allow to **act** for approx. **10-20 minutes** and **rinse off** with plenty of water. In case of stubborn dirt, use brushes or machine cleaning in addition. Always make a sample on not well visible place!

### ECOLOGY

The detergent's active substances are **biodegradable**.

## NOTICE

When used pure, 1 liter is sufficient for approx. 10-20 m<sup>2</sup>, depending on the severity of the algae or moss infestation.

If the product gets on plants, we recommend to water the plants well. It should be avoided to spray the plants directly, the foliage may turn yellow.

The product can be used on marble. Be careful with polished surfaces. Always do a small sample cleaning in a place not readily visible.

Pets should be kept away during a cleaning. Once cleaning is complete and the surface is dry there is no danger to your pets.

Keep out of the hands of children.

Read label and product information before use.

## INGREDIENTS

Contains according to detergent regulation: 5% - 15% chlorine-based bleaching agents.
