

Rust remover neutral RFE08

The autonomous remover of rust stains and rust deposits.

DESCRIPTION

STEN SHOONMAKEN Rust remover neutral RFE08 is a **material-friendly** and **user-friendly special cleaner**. Removes **rust, metal oxides** and **mineral deposits** from sensitive surfaces due to its special ingredients. Removes even **deeply ingrained rust deposits** caused by garden furniture, metal tools, dripping faucets, ferrous fertilizers or similar.

AREAS OF APPLICATION

For use indoors and outdoors on all **acid-sensitive tile, stone** and **ceramic surfaces** such as **marble, slate, limestone** and **sandstone, artificial stone, terrazzo**.

USAGE

Rinse the surface to be treated with clear water and allow to dry thoroughly. The **ideal application temperature** is between **+15° C and +35° C**. Apply the product undiluted or spray on until the stains are completely wetted. Allow **to act for approx. 5-10 minutes**. The violet discoloration indicates the effect. Then **rinse off with plenty of water**. In case of stubborn stains, use brushes or machine cleaning additionally and repeat the process. Always make a sample on not well visible place!

ECOLOGY

The detergent's active substances are **biodegradable**.

NOTICE

Consumption per m² approx. 100 ml. Apply the product only on the rust stains.

If the product gets on plants, we recommend to water the plants well. It should be avoided to spray the plants directly, the foliage may turn yellow.

The product can be used on marble. Be careful with polished surfaces. Always do a small sample cleaning in a place that is not easily visible.

Pets should be kept away during a cleaning. Once cleaning is complete and the surface is dry there is no danger to your pets.

Keep out of the hands of children.

Read label and product information before use.
